## SUMMARY

Front-end web developer, Navy Veteran, and Ex Interior Designer currently working towards a certificate in full stack web development from UNC Chapel Hill. With a background in design, and newly developed skills in Javascript, CSS, and HTML my goal as a developer is to help create meaningful layouts and user experiences that come to life. Communication and dedication are some of my biggest strengths, as well as my balance of friendliness and assertiveness. Seeking Entry Level Web Development opportunities where I can continue to grow and learn as front-end web developer.

**Motivated. Creative. Teachable.**

## TECHNICAL SKILLS

**Languages: JavaScript, HTML5, CSS3**
